NMCA 2012 ANNUAL CONVENTION

May 4 - 6, 2012

Sandia Resort & Casino, Albuquerque, NM

NMCA is Proud to Announce its Speakers for 2012

Dr. Dan Murphy, DC ~ Nutrition. Dr. Murphy graduated magna cum laude from Western States Chiropractic College in 1978 and has more than 30 years of practice experience. He received his Diplomate in Chiropractic Orthopedics in 1986. Since 1982, Dr. Murphy has served as part-time undergraduate faculty at Life Chiropractic College West, where he is currently teaching classes to seniors in the Management of Spinal Disorders. He is also on the post-graduate faculty of several other chiropractic colleges. Dr. Murphy has taught more than 1,250 post-graduate continuing education seminars, including classes all over the world. He is a contributing author on numerous books and has written a quarterly column in the American Journal of Clinical Chiropractic with more than 68 columns appearing to date. Dr. Murphy has been honored by many awards in his career including Chiropractor of the Year, Post-Graduate Educator of the Year, Pediatric Chiropractor of the Year, and The Carl S. Cleveland, Jr., Educator of the Year. He was also President of the International Chiropractic Association from 2003 to 2009. For more information, visit Dr. Murphy's web site at www.danmurphydc.com.

Dr. Arti Prasad, MD, FACP ~ Team Based Approach and Integrative Medicine in Primary Care: The Past, Present and the Future. Dr. Prasad, Center for Life's founding Executive Director, is the founding Section Chief of Integrative Medicine at the University of New Mexico's Health Science Center and has recently been promoted as the Interim Chief of the Division of General Internal Medicine. Dr. Prasad is a Professor of Internal Medicine at UNM and holds an adjunct clinical professorship at the Arizona Center for Integrative Medicine, University of Arizona. She graduated from this program in November 2003 as an Associate Fellow under the direction of Dr. Andrew Weil. Under her able leadership, UNM HSC is now a member of the national Consortium of the Academic Health Centers for Integrative Medicine. Dr. Prasad grew up in India, has a lifetime of experience with Natural, Ayurvedic, and Integrative medicine, and practices compassion based holistic and Integrative medicine. Dr. Prasad has received high recognition by her peers during her medical career, including the Dean's Award of Distinction for Outstanding Faculty Performance, one among many other notable accomplishments.

Dr. James Winterstein, DC ~ History, Professional Progress, Challenges and Future of the Chiropractic Profession. Dr. James Winterstein is a 1968 graduate of National University of Health Sciences. He completed his residency in diagnostic imaging in 1970 and became a diplomate of the American Chiropractic Board of Radiology in May of 1970. Dr. Winterstein has served the chiropractic profession in various positions including as President of the American Chiropractic College of Radiology, President of the Council on Chiropractic Education, Secretary of the Association of Chiropractic Colleges, Secretary of the American Academy of Chiropractic Physicians and President of National University of Health Sciences for the past 25 years. Dr. Winterstein has been a member of the Board of Directors of the Federation of Illinois Independent Colleges and Universities for the past 22 years and also serves as a board member for Alternative Medicine Integrated Inc. He is a participant in many professional venues and a prolific author.
