- **Credentialing and Examination Fee of \$750**
- Med-Advantage Credentialing Application will be sent directly from Med-Advantage **ONLY AFTER** this **preliminary application** is completed and **fee is submitted**. Once you receive the Med-Advantage Application it is sent directly back to Med-Advantage awaiting their review completion.

Please send all of the above requested documentation to:

**American Chiropractic Physician Credentialing Center
P.O. Box 11
Franktown, CO 80116**

Note:

*After all of the requested documentation is received the applicant's documentation will be reviewed by the American Chiropractic Physician Credentialing Center Credentials Committee. This process could take up to 90-120 days. Upon completion of ACPCC credentialing, and successful credentials verification through Med-Advantage, each applicant will be given the opportunity to sit for the ACPCC Examination, a 300 multiple choice **Advanced Clinical Examination (ACE)**, an advanced practice clinical skills examination. The rubric for this examination is found on www.acpcc.org*

Successful completion/passing of credentialing, credentials verification and the ACE examination will qualify the applicant for the use of the designation APCM-C® , and use of Advanced Practice Chiropractor® and Advanced Practice Chiropractic Physician®.

Please note that the examination has been updated as of September 1, 2010.
